Re: *United States v. Frank Lopez*  
20-Cr-84-AJN

Dear Judge Nathan,

We write pursuant to the Court's February 14, 2023 Order to inform the Court that defense counsel seeks an amended judgment striking the condition of supervision prohibiting Frank Lopez from incurring new credit charges or opening additional lines of credit without the approval of probation officers. At Mr. Lopez's sentencing defense counsel objected to this condition and the Court sustained the objection without objection from the government. In addition, the government has informed defense counsel that it consents to the amendment of the judgment. We therefore respectfully request that the Court strike the above-described condition from the judgment. We thank the Court for its time and consideration.

Respectfully submitted,

/s
